

# ATTENTION PATIENTS

Are you experiencing:

fever, cough, shortness of breath, or body aches?

Your safety and the safety of our employees and patients are very important to us. If you are experiencing any signs or symptoms of infection (fever, cough, shortness of breath), please call to reschedule your appointment for a later date. Please contact your primary care physician or local hospital to find the nearest testing location near you.

**If you need to reschedule your appointment, please contact your clinic location directly.**
